25X1A2d2 SUBJECT: Project [REDACTED] - Direct mail subscriptions to Cuban publications

The following is a complete list of subscriptions placed for Cuban publications for CIA components only to this date. You will already have some listed on your books, while most will be new.....do not duplicate those already on your books; the appearance here does not mean another subscription for a given office. This is a complete list to date, superseding any and all other listing prior to it.

UNLESS OTHERWISE INDICATED BELOW, LIST MEANS ONE SUBSCRIPTION PER TITLE PER OFFICE.
